

Dorothy

Birthdate
December 1, 1994

Dorothy is a shy and somewhat reserved young lady at first but once you get to know her you will see a bubbly, happy and creative teenager. She is an avid reader of all books and loves to create comic book characters. Dorothy enjoys music especially the guitar and hopes to take lessons someday. She is a budding actress and has participated in several drama camps. Dorothy likes to be helpful and enjoys being outdoors. Dorothy can be outspoken and is a strong advocate for herself. She has a lot of untapped potential and talents to be developed.

Dorothy enjoys school and does well. She is in regular education classes. She enjoys learning and has maintained above average grades this year with the help of her current foster parents and her tutor. Dorothy is doing well in her current placement. She is dealing with grief/loss issues and is in counseling to help her learn coping skills.

Dorothy would do well in a two parent family. Her forever family needs to have lots of time, patience and energy to devote to her. Dorothy gets along well with other children but she would also thrive in a home where she would be the only child. She also needs a family that is active and who would encourage her to participate in activities. Dorothy also loves animals and looks forward to having a pet. If you are a family who can love and support Dorothy as she grows into a healthy adult, I look forward to hearing from you.
